

Voorwoord

Beste scout, beste gids,

Al generaties lang worden er aan het kampvuur liedjes gezongen. Als scout en muzikant wil ik deze goede gewoonte voortzetten. Het leek me daarom hoog tijd dat er een uitgebreide zangboek werd samengesteld. Ik heb dit exemplaar dan ook met veel plezier en toewijding gemaakt. Deze bundel bevat zowel recente popsongs als de traditionele kampvuurliederden.

Ik wens jullie nog veel zangplezier en begin alvast te oefenen!

Het avondlied

B
O Heer, de avond is neergekomen.
E F#
De zonne zonk, het duister klom.
B
De winden doorruisen de bomen
E F#
en verre sterren staan alom.
B
Wij knielen neer om u te zingen
E B
in het slapend woud ons avondlied.

Wij danken u voor wat we ontvingen
F# B
en vragen: Heer, verlaat ons niet.
B
Knielen, knielen
F#
knielen wij neder.
E B
Door de stilte weerklinkt onze bee.

Luisterend fluisteren kruinen mee
E
en sterren staren teder.
B
Geef ons, Heer,
E F# B
zegen en rust en vree.

Brabançonne

O dierbaar België
O heilig land der Vaad'ren
Onze ziel en ons hart zijn u gewijd.
Aanvaard ons kracht en het bloed van onze ad'ren,
Wees ons doel in arbeid en in strijd.
Bloei, o land, in eendracht niet te breken;
Wees immer u zelf en ongeknecht,
Het woord getrouw, dat g' onbevreesd moogt spreken:
Voor Vorst, voor Vrijheid en voor Recht.
Het woord getrouw, dat g' onbevreesd moogt spreken:
Voor Vorst, voor Vrijheid en voor Recht.
Voor Vorst, voor Vrijheid en voor Recht.
Voor Vorst, voor Vrijheid en voor Recht.

De Vlaamse leeuw

Zij zullen hem niet temmen, de fiere Vlaamse Leeuw,
Al dreigen zij zijn vrijheid met kluisters en geschreeuw.
Zij zullen hem niet temmen, zolang een Vlaming leeft,
Zolang de Leeuw kan klauwen, zolang hij tanden heeft.

Zij zullen hem niet temmen, zolang een Vlaming leeft,
Zolang de Leeuw kan klauwen, zolang hij tanden heeft.

De tijd verslindt de steden, geen tronen blijven staan:
De legerbenden sneven, een volk zal nooit vergaan.
De vijand trekt te velde, omringd van doodsgevaar.
Wij lachen met zijn woede, de Vlaamse Leeuw is daar

Zij zullen hem niet temmen, zolang een Vlaming leeft,
Zolang de Leeuw kan klauwen, zolang hij tanden heeft.

Hij strijdt nu duizend jaren voor vrijheid, land en God;
En nog zijn zijne krachten in al haar jeugdgenot.
Als zij hem machteloos denken en tergen met een schop,
Dan richt hij zich bedreigend en vrees'lijk voor hen op.

Zij zullen hem niet temmen, zolang een Vlaming leeft,
Zolang de Leeuw kan klauwen, zolang hij tanden heeft.

Wee hem, de onbezonnen', die vals en vol verraad,
De Vlaamse Leeuw komt strelen en trouweloos hem slaat.
Geen enkle handbeweging die hij uit 't oog verliest:
En voelt hij zich getroffen, hij stelt zijn maan en briest.

Zij zullen hem niet temmen, zolang een Vlaming leeft,
Zolang de Leeuw kan klauwen, zolang hij tanden heeft.

Het wraaksein is gegeven, hij is hun tergen moe;
Met vuur in't oog, met woede springt hij den vijand toe.
Hij scheurt, vernielt, verplettert, bedekt met bloed en slijk
En zegepralend grijnst hij op's vijands trillend lijk.

Zij zullen hem niet temmen, zolang een Vlaming leeft,
Zolang de Leeuw kan klauwen, zolang hij tanden heeft.

For not being charming towards her friends
With two hands you eat, one hand to greet

And the people they were dancing to the music vibe
And the boys chase the girls with the curls in their hair
While the shy tormented youth sit way over there
And the songs they get louder
Each one better than before

And you're singing the songs
Thinking this is the life
And you wake up in the morning and you're head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?

And you're singing the songs
Thinking this is the life
And you wake up in the morning and you're head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
Where you gonna sleep tonight?

So you're heading down the road in your taxi for four
And you're waiting outside Jimmy's front door
But nobody's in and nobody's home 'til four
So you're sitting there with nothing to do
Talking about Robert Riger and his motley crew
And where you're gonna go and where you're gonna sleep tonight

And you're singing the songs
Thinking this is the life
And you wake up in the morning
and you're head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?

Hey Michel how's life are you ok

Hand in hand you and me
 Smiling faces so in love
 Hoping that they all could see
 That we belonged together you and me against the world
 But we found out the hard way cause it wasn't meant to be

Now it's you and her I see

You were my first and worst love
 And so it only could go wrong
 But ain't that just the way you learn
 Hey Michel I just wanted to let you know
 That someone else has stolen my heart
 And now another girl has caught your eye
 That doesn't mean I don't think of you
 I am just hoping she'll treat you right

Do you remember

How we walked the street to the beat

Hand in hand you and me

Smiling faces so in love

Hoping they all could see

That we belonged together you and me against the world

But we found out the hard way cause it wasn't meant to be

Now it is you and her I see

It was just a silly dream

 And the violence caused such silence,
 Who are we mistaken?

But she's pulling me through
It's a small crime
And I've got no excuse

Is that alright?
Give my gun away when it's loaded
Is that alright?
If you don't shoot it how am I supposed to hold it
Is that alright?
Give my gun away when it's loaded
Is that alright
Is that alright with you? (2X)

Is that alright, yeah ...

 Cause we find ourselves in the same old mess
 C G C
 Singin' drunken lullabies

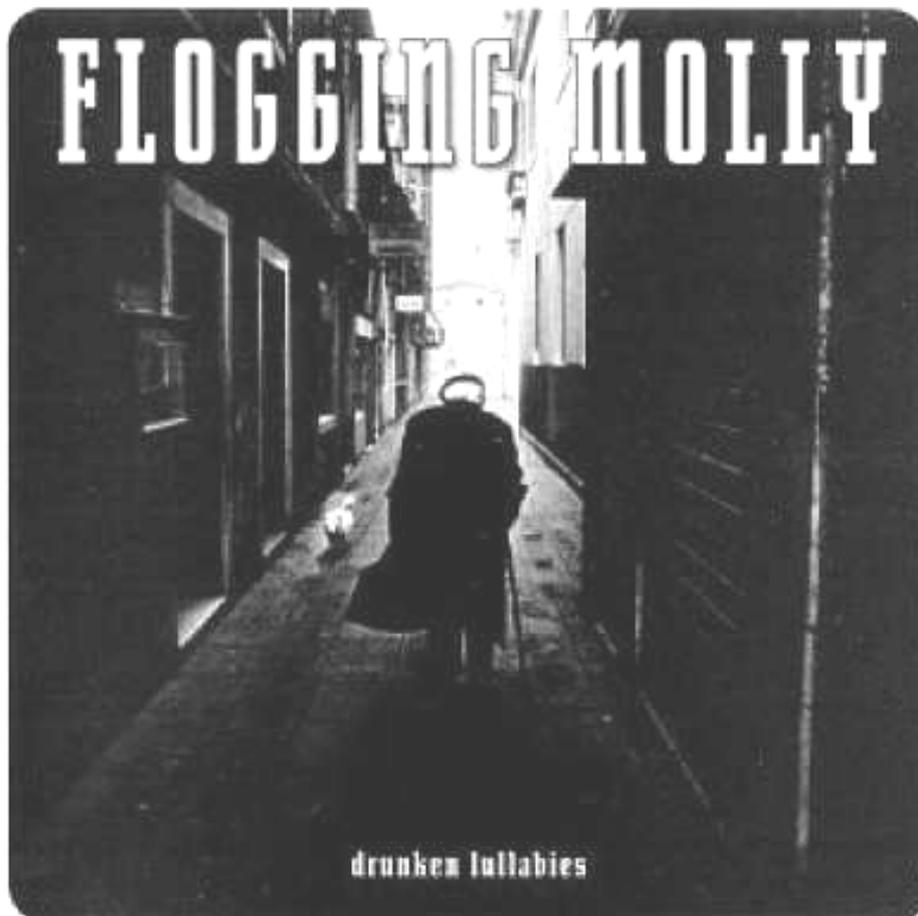

And stare as Rosin`s eyes
 Turn a darker shade of red
 And the bullet with this sniper lie
 In their bloody gutless cell
 Must we starve on crumbs from long ago
 Through these bars of men made steel
 Is it a great or little thing we fought
 Knelt the conscience blessed to kill

Must it take a life for hateful eyes
 To glisten once again
 Cause we find ourselves in the same old mess
 Singin' drunken lullabies

Ah, but maybe it`s the way we're taught
Or maybe it`s the way we fought
But a smile never grins without tears to begin
For each kiss is a cry we all lost
Though nothing left to gain
But for the banshee that stole the grave
Cause we find ourselves in the same old mess
Singin' drunken lullabies

I sit in and dwell on faces past
Like memories seem to fade
No colour left but black and white
And soon will all turn grey
But may these shadows rise to walk again
With lessons truly learnt
When the blossom flowers in each our hearts
Shall beat a new found flame

Must it take a life for hateful eyes
To glisten once again
Cause we find ourselves in the same old mess
Singin' drunken lullabies
Cause we find ourselves in the same old mess
Singin' drunken lullabies
Singin' drunken lullabies

If I ever leave this world alive - Flogging Molly

D
If I ever leave this world alive,
G D
I'll thank ya' for things you did in my life.

If I ever leave this world alive,
G D
I'll come back down and sit beside your feet tonight.

A
Wherever I am, you'll always be.

Bm G
More than just a memory.

D A D
If I ever leave this world alive.

If I ever leave this world alive,
I'll take on all the sadness, that I left behind.
If I ever leave this world alive,
The madness that you feel will soon subside.
So in a word, don't shed a tear.
I'll be here when it all gets weird.
If I ever leave this world alive.

What's left of the flag - Flogging Molly

G C G
His eyes they close and his last breath spoke
Em
He had seen all to be seen
G C G
A life once full, now an empty vase
D G
With the blossoms on his early grave

CHORUS:

C G
Walk away me boy, walk away me boy
Em D
And by mornin' we'll be free
G C G
Wipe the golden tear from your mother dear
D G
And raise what's left of the flag for me.

X X X
Then the rosary beads count them one, two, three
Em
Fell apart as they hit the floor.
G C G
In our garb of black we must pay respect
D G
To the color we're born to mourn.
C G
Walk away me boy, walk away me boy
Em D
And by mornin' we'll be free
G C G
Wipe the golden tear from your mother dear
D G
And raise what's left of the flag for me.

In his place there grew an angry festered wound
Filled with hatred and remorse
Where I'd pick and scratch till the blood it matched
The silent rage now that fills my lungs
For there are many ways to kill a man they say
With bayonette, axe, or sword
But son a bullet fired from a shapeless guise
Leaves but the shell of a Thompson gun.

CHORUS:

Walk away me boy, walk away me boy
And by mornin' we'll be free
Wipe the golden tear from your mother dear
And raise what's left of the flag for me.

Em (hold) Em (hold) D
From the Eastern to the Western shore
Em (hold) Em (hold) D
Where many men and many more will fall.
C G
But no angel flies with me tonight
Em D
Till freedom reigns on all
G C G
And curse the name for which we slaved our days
D G
Till every man shall his kingdom come

But sure as night turns day ends the passion play
Oh my god what have they done
With madman's rage well they dug our graves
But the dead rise again you fools

G D Em C
Het is een nacht, die wordt bezongen in het mooiste lied
G D Em C
Het is een nacht waarvan ik dacht dat ik hem nooit beleven zou
G D C
maar vannacht beleef ik hem met jou

Ik ben nog wakker en ik staar naar het plafond
en ik denk aan de dag lang geleden begon
Het zomaar ervandoor gaan met jou,
niet weten waar de reis eindigen zou
Nu lig ik hier in een wild vreemde stad
en heb net de nacht van mijn leven gehad
Maar helaas er komt weer licht door de ramen
hoewel voor ons de wereld, vannacht heeft stil gestaan

Het is een nacht, die je normaal alleen in film ziet
Het is een nacht, die wordt bezongen in het mooiste lied
het is een nacht waarvan ik dacht dat ik hem nooit beleven zou
maar vannacht beleef ik hem met jouw

C
Maar een lied blijft slechts bij woorden
G D
een film is in scene gezet
C
Maar deze nacht met jouw
G D
is levensecht

Het is een nacht, die je normaal alleen in film ziet
Het is een nacht, die wordt bezongen in het mooiste lied
Het is een nacht waarvan ik dacht dat ik hem nooit beleven zou
maar vannacht beleef ik hem met jou
Ja vannacht beleef ik hem met jou
En ik hou alleen nog maar van jou

There's no combination of words
I could put on the back of a postcard
No song that I could sing
But I can try for your heart,
our dreams, and they are made out of real things
like a shoebox of photographs
with sepia-toned loving
Love is the answer
at least for most of the questions in my heart, like
Why are we here? And where do we go?
And how come it's so hard?
It's not always easy and
sometimes life can be deceiving
I'll tell you one thing, it's always better when we're

Yeah we'll look at the stars and we're together
Well, it's always better when we're together
Yeah it's always better when we're together

And all of these moments
just might find their way into my dreams tonight,
But I know that they'll be gone
when the morning light sings
and brings new things
for tomorrow night you see
that they'll be gone too,
too many things I have to do
But if all of these dreams might find their way
into my day to day scene
I'd be under the impression
i was somewhere in between
With only two,
Just me and you,
Not so many things we got to do

or places we got to be
We'll sit beneath the mango tree, now,

Yeah It's always better when we're together
Mmmm, we're somewhere in between together
Well, it's always better when we're together
Yeah, it's always better when we're together

I believe in memories
they look so, so pretty when I sleep
Hey now, and when I wake up,
you look so pretty sleeping next to me

There is no, no song I could sing
and there is no combination of words I could say
but I will still tell you one thing

And from your lips she drew the hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah

Baby I've been here before
I've seen this room and I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
But love is not a victory march
It's a cold and it's a broken hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah

Well there was a time when you let me know
What's really going on below
But now you never show that to me do you
But remember when I moved in you
And the holy dove was moving too
And every breath we drew was hallelujah

Well, maybe there's a god above
But all I've ever learned from love
Was how to shoot somebody who outdrew you
It's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah

Hurt - Johnny Cash

Am C D Am
 I hurt myself today
 C D Am
To see if I still feel
I focus on the pain
The only thing that's real
The needle tears a hole
The old familiar sting
Try to kill it all away
 C D G(strum)
But I remember everything

CHORUS:

Am F C
What have I become?
 G
my sweetest friend
everyone I know
goes away in the end
you could have it all
my empire of dirt
I will let you down
I will make you hurt

I wear this crown of thorns
upon my liar's chair
full of broken thoughts
I cannot repair
beneath the stains of time
the feeling disappears
you are someone else
I am still right here

CHORUS:

What have I become?
my sweetest friend
everyone I know
goes away in the end
you could have it all
my empire of dirt
I will let you down
I will make you hurt
if I could start again
a million miles away
I would keep myself
I would find a way

Young and vanished in the haze

But I don't want our love on show
Sometimes I think it's insanity
Boy, the way you go.
With all of the girls on the corner
Oh baby, you're the latest trick
Oh, you seem to have their number
Look they're dancing still.

And I don't wanna dance
dance with you baby, no more
I'd never do something to hurt you though
Oh, but the feeling is bad,
the feeling is bad.

And baby now the party's over
For us so I'll be on my way
Now that the things which move me
Are standing still.
I know it's only superstition
But, baby I won't look back
Even though I feel your music
Baby, that is that.

I don't wanna dance
dance with you baby, no more.
I'd never do something to hurt you though
Oh, but the feeling is bad,

Tremble for yourself my man,
you know that you have seen this all before.
Tremble little lion man,
you'll never settle any of your scores.
Your grace is wasted in your face,
your boldness stands alone among the wreck.
Learn from your mother or else
spend your days biting your own neck.

Hard Times - The Scabs

G D F C
I gave you a hard time, I told you the news
there's no "I'm sorries" 'cause there ain't no excuse
the things I've been doin', the things that I say
the road to ruin between you and me

my reasons for cheating, I don't know what to say
maybe it's nature, havin' its way
you know that I love you, but that's easy to say
you'd make me proud of you if you would stay

Am Em G D
I promised you sunshine, I promised you you'd be all mine
instead of the good times, a killer came and took your heart
away

REFREIN:

Am Em G D
I gave you hard times, baby ooh ooh ooooh
I told the truth and lies ooh ooh ooooh

I was silly believing my lies could last
'cause sooner or later the rumour would spread
I often wonder how the things would be
if you hadn't found out the truth about that girl and me

can't promise you sunshine, can't promise you you'll be all
mine
I'll try to be honest, unlike the first time it won't slip my
mind

[REFREIN]

I look out the window, I watch the street kids grow
life was so easy when I was that old
there were no lies and no things to be told
just lullabies and time to grow old

Closing Time - Semisonic

Closing time - time for you to go out, go out into the world.
Closing time - turn the lights up over every boy and every girl.

Closing time - one last call for alcohol, so finish your whiskey or beer.

Closing time - you don't have to go home but you can't stay here.

I know who I want to take me home.
I know who I want to take me home.
I know who I want to take me home.
Take me home...

Closing time - time for you to go back to the places you will be from.

Closing time - this room won't be open 'til your brothers or you sisters come.

So gather up your jackets, and move it to the exits - I hope you have found a friend.

Closing time - every new beginning comes from some other beginning's end.

Yeah, I know who I want to take me home.

I need your grace
To remind me
To find my own

If I lay here
If I just lay here
Would you lie with me
And just forget the world?

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes
They're all I can see

I don't know where
Confused about how as well
Just know that these things
Will never change for us at all

If I lay here
If I just lay here
Would you lie with me
And just forget the world?

I went to an ale house, I used to frequent
And I told the landlady me money was spent
I asked her for credit, she answered my nay
Such a custom as yours I can get any day

[REFREIN]

I brought from my pocket, ten sovereigns bright
And the landladys eyes opened wide with delight
She said I have whiskeys and wines of the best
And the words that I told you were only in jest

[REFREIN]

I'll go home to my parents, confess what I've done
And I'll ask that the pardon their prodigal son
And if the caress me, as oft times before
I never will play the wild rover no more

With or without you - U2

D A B

See the thorn twist in your side
I wait for you
Sleight of hand and twist of fate
On a bed of nails she makes me wait

With or without you

Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you

With or without you
With or without you
I can't live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, she's got me with
Nothing to win
And nothing left to lose

With or without you
With or without you
I can't live
With or without you

Beautiful Day - U2

CHORDS: A Bm D G D A

The heart is a bloom
Shoots up through the stony ground
There's no room
No space to rent in this town

You're out of luck
And the reason that you had to care
The traffic is stuck
And you're not moving anywhere

You thought you'd found a friend
To take you out of this place
Someone you could lend a hand
In return for grace

It's a beautiful day
Sky falls, you feel like
It's a beautiful day
Don't let it get away

You're on the road
But you've got no destination
You're in the mud
In the maze of her imagination

You love this town
Even if that doesn't ring true
You've been all over
And it's been all over you

It's a beautiful day
Don't let it get away
It's a beautiful day

Touch me
Take me to that other place
Teach me
I know I'm not a hopeless case

Em
See the world in green and blue
D G
See China right in front of you
See the canyons broken by cloud
See the tuna fleets clearing the sea out
See the Bedouin fires at night
See the oil fields at first light

Em
And see the bird with a leaf in her mouth
G A
After the flood all the colors came out

It was a beautiful day
Don't let it get away
Beautiful day

Touch me
Take me to that other place
Reach me
I know I'm not a hopeless case

What you don't have you don't need it now
What you don't know you can feel it somehow
What you don't have you don't need it now
Don't need it now
Was a beautiful day
